

Flat Pack Plinth - Assembly Instructions

STEP 1.

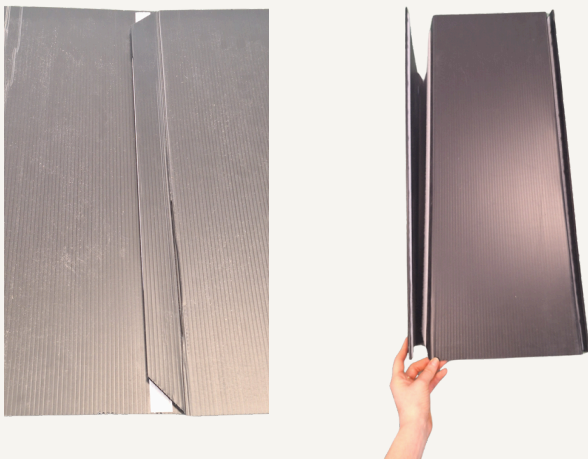

Lay the piece '3' on the ground ensuring that the outside of the plinths are touching the floor, normally the printed side, Velcro showing.

STEP 2.

Attach Piece '1' to the right hand side of piece 3 with both pieces still laying flat, ensure that the top of your plinths line up. Next, fold up the left and right hand side on the plinth and to secure them together.

STEP 2.

Now take the '2' pieces and connect them by slotting the slits together. Once connected, stand the plinth up on one end and gently slide the x section into the top of the until it is flush with the base.

STEP 3.

Finally, turn the plinth over so the cross is at the bottom of the plinth and place the lid on top of the plinth to finish your plinth creation.
